curriculum and assessment in english 11 to 19 provides a clear balanced and persuasive critique of the current english curriculum in secondary schools and colleges in england

dt these highly successful revision guides have been brought right up to date for the new a level specifications introduced in september 2000 dt

oxford revision guides are highly effective for both individual revision and classroom summary work the unique visual format makes the key concepts and processes and the links between them easier to memorize dt students will save valuable revision time by using these notes instead of condensing their own dt in fact many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes

knowing about language is an essential and comprehensive introduction to and discussion of the value of linguistics in the secondary and post 16 curriculum split into three easily accessible parts each chapter draws on theoretical and practical reasons for developing language awareness for the teacher and student the impact of government and institutional policy on teaching and teacher knowledge and explores recent research about the value of linguistic knowledge to support student attainment expert contributors show how recent innovations in linguistics can support language teaching by providing a range of practical ideas that can be used in the classroom knowing about language is a valuable theoretical critical and practical guide for the teacher and researcher and anyone interested in applied linguistics and the study of language in education written by authors who are passionate about the value of language study both as a classroom topic and more generally this book acts as a resource to inform and support teachers in wider aspects of their role by demonstrating the powerfully enabling nature and inherent value of language study and linguistics in secondary and post 16 curricula
